

Chemicals Technical Data Sheet

Chemical Name: 1-Dodecanethiol

CAS No.: 112-55-0

Molecular Formula: C₁₂H₂₆S

Molecular weight: 202.4

Chemical Structure:

Appearance: Colorless Liquid

Specifications:

Items	Specifications
Appearance	Colorless Liquid
Purity	98.50 % min
1-dodecanol	0.3 % max
Mercaptan sulfur	15.6 % min
Color, APHA	10 max

Usage:

Used in rubber, plastic and pharmaceutical industries.

Package:

170 kgs /drum.

Storage:

Stored in the low-temperature, ventilated, and dry room separately from food ingredients.
